February 1, 2016.

Dear Colleagues,

I have pleasure to inform you that in the just concluded month of January 2016, FSNL could achieve recovery & processing of 2,30,048 MT of scrap and 6,70,642 M.T. of slag. This is the best 'January' since inception of FSNL for Scrap & Slag haulage, surpassing the previous best achieved in January 2015 for both categories. I am confident, FSNL collective can surpass the targets in future also.

I would like to share with you that the New Year 2016 brought new business to FSNL at Air India, Mumbai. An agreement for "Disposal Yard Management" was signed on 8.1.2016 between FSNL & Air India, Mumbai. I am confident that this will open new vistas to FSNL in future.

It gives me pleasure to intimate all of you that FSNL has been awarded "Rajbhasha Uttam Puraskar - 2015" on 28/1/16 by the 'Town Official Language Implementation Committee', Bhilai – Durg, for the commendable job done in Hindi implementation at Corporate Office. I am sure this will inspire our Units to bag similar awards at their respective units.

You will be happy to note that keeping in view the Government's policy for 'Divyang' persons, the Company's website has been made user friendly for visually impaired by installing Screen Reader Technology. FSNL has also constructed a ramp with railing at Corporate Office to facilitate easy movement of 'Divyang' persons.

The situation in the area of cash crunch of FSNL still prevails, which is a matter of concern.

With best wishes,

Sd/-
