No.1(115)01/1419/16
March 1, 2016.

Dear Colleagues,

I am very glad to give you a good news that FSNL has been rated by the Government of India, Department of Public Enterprises as 'Excellent' in MOU rating for the year 2014-15. In this connection, I am quite confident that FSNL collective will put its best efforts to achieve "Excellent" MOU rating in the coming years also.

I have pleasure to inform you that in the just concluded month of February 2016, FSNL could achieve recovery & processing of 2,19,300 MT of scrap and 6,47,423 M.T. of slag. This is the best 'February' since inception of FSNL for Scrap & Slag haulage, surpassing the previous best achieved in 'February 2011' for Scrap and 'February 2015' for Slag. FSNL collective is surpassing all the previous records.

I would like to share with you that after signing the agreement with Air India in the field of Disposal Yard Management in the month of January 2016, we are making our best efforts to secure some new jobs in the field of scrap management in other PSUs in the country. I shall share with you about the developments in this new area from time to time.

Due to downtrend in steel market, the situation in the area of cash crunch of FSNL still prevails. This is a matter of great concern.

With best wishes,

Sd/-
(Rajib Bhattacharya)
