Dear Colleagues,

*I have pleasure in sharing with you that during March'16, FSNL could achieve a record recovery & processing of 2,35,968 MT of scrap & 6,89,684 M.T. of Slag. This is the best March in the area of Slag handling & processing.*

*During 2015-16 we have recovered and processed 2.83 Million Tonne metallic scrap. Also we have handled and processed 7.98 Million Tonne of slag which is best ever achievement since inception of FSNL.*

*I congratulate one and all on this occasion. I am confident that FSNL collective will surpass this in 2016-17 also.*

*The situation in the area of cash crunch of FSNL still prevails, which is a matter of concern.*

*Since summer season has started, for your good health, I request you to take plenty of fluids. Also I would request you to stop wastage of water. Wherever you see a leaking pipeline, faulty water tap or overflowing tanks, please take immediate action to save precious water.*

*With best wishes,*
