Dear Colleagues,

I have pleasure in sharing with you that during June '16, FSNL could achieve Recovery & Processing of 2,03,245 MT of scrap & 6,58,613 M.T. of Slag. I have confidence in FSNL collective that with combined efforts, we can do better in future also.

I am happy to share with you that on the auspicious occasion of 'International Yoga Day' on 21st June 2016, FSNL collective participated in the yoga sessions organized at Corporate Office & units. Yoga keeps us fit physically & gives enormous mental peace.

In the just concluded month we had a very fruitful exchange of ideas with the Union representatives at our Visakhapatnam unit. I am hopeful that the consultation process started will move forward in days ahead and we can come to a conclusion keeping the long term interest of the company in mind.

The situation in the area of cash crunch of FSNL still prevails, which is a matter of concern.

With best wishes,

Sd/-
