Dear Colleagues,

I have pleasure in sharing with you that during August '16, FSNL could handle 7,25,721 M.T. of Slag, which is a record since inception surpassing the previous best achieved in December 2015. Further, a quantity of 2,05,592 MT of Scrap has been recovered & processed. Let us achieve better results in future also.

I am very glad to inform you that Government of India, Department of Official Language, Ministry of Home Affairs, New Delhi has nominated FSNL for Rajbhasha Keerthi Puraskar for the year 2015-16 for best implementation of Official Language policy. The award will be presented to FSNL by the President of India on 14th September, 2016 at New Delhi. This will be a great moment for FSNL collective.

It gave me immense pleasure in honoring the veteran employees of FSNL who have completed 25 years of valuable service to the company on the occasion of 70th Independence Day celebrations at Corporate Office. These senior colleagues have the responsibility to groom the youngsters in the organization to maintain the excellent work culture developed in FSNL over a period of time.

The situation in the area of cash crunch has become severe, which is affecting our fund transfer to Units.

With best wishes,

Sd/-
