No.1(115)01/7059 /16
November 1, 2016

Dear Colleagues,

During October '16, FSNL could handle 7,09,729 M.T. of Slag, which is the best 'October' since inception of FSNL, surpassing the previous best achieved in October 2015. A quantity of 2,13,157 M.T. of Scrap was recovered & processed. However, we are behind the MOU target in scrap recovery & processing by 3,92,987 M.T. Let us put all our efforts to meet the target in all the categories, in the coming months.

I am happy to inform you that CEO, SAIL-Bhilai Steel Plant formally inaugurated the job of "Recovery of Iron Scrap from Blast Furnace Slag Dump" awarded to FSNL, on 4th October, 2016 in the presence of BSP & FSNL senior officials. With the sustained efforts of Bhilai collective the operational area was prepared, equipment was marched on war footing and first lot of dispatch was started on 26.10.2016. This level of commitment & deliverance will enhance the credibility of FSNL in the eyes of customers.

It gives me pleasure to intimate all of you that FSNL, Rourkela Unit has been awarded "Rajbhasha Shield - 2015" on 18th Oct.2016 by the 'Town Official Language Implementation Committee', Rourkela, for the excellent job done in Hindi implementation at Rourkela Unit. I am sure this will inspire other Units to bag similar awards at their respective units.

Further, you will be glad to know that Corporate Office and all the Units of FSNL are now connected through Video Conferencing system, which will help in conducting regular online interaction between Corporate Office & Units. This will also help in minimizing cost & time.

The cash collection in the just concluded month assumed alarming proportion causing severe cash crunch.

With best wishes,

Sd/-
(Rajib Bhattacharya)
