March 01, 2017

Dear Colleagues,

During February '17, FSNL could recover and process 2,25,284 M.T. of Scrap. A quantity of 6,10,060 M.T. of Slag was handled. However, we are behind the MOU target in recovery & processing of Scrap (High value items) by 5,38,081 M.T. causing less revenue generation by Rs.25.02 crores. I request you all to put efforts to meet the "High Value" target in this month to make up the low revenue generation, so that our company will continue to be in profits.

I am pleased to inform you all that the TOLIC (Town official language implementation committee), after evaluating the progress of Rajbhasha implementation in member organisations of Durg-Bhilai, has recommended for awarding "Rajbhasha Uttam Puraskar -2016" to FSNL for best implementation of official language policy in the company and "Rajbhasha Unnayak Samman-2016" to MD, FSNL for ensuring best implementation of official Language Policy in the company.

Both these awards will be presented by Chairman, TOLIC, Durg-Bhilai on 4th March 2017 at Bhilai.

I hope we will do still better in all Units in implementation of Rajbhasha guidelines.

I was admitted in Hospital for a brief period during last month due to food poisoning. This happened because I had consumed food at Titlagarh Railway Station on my way to Bhubaneshwar on official job. I have learned from my mistake and I request all of you to carry home cooked food whenever you travel and totally avoid buying food from railway station

During my illness, I have received hundreds of messages from you through SMSs & Whatsapp, and hundreds visited me at hospital & wished me speedy recovery. I thank all of you for your good wishes.

The situation in the area of cash crunch of FSNL still prevails, which is a matter of concern.

With best wishes,

Sd/-
